On behalf of the Cumberland Schools Catering Society I would like to welcome all of the you back for another school year. This school year is not like any other. Covid-19 has changed our day to day lives. We have been working on how we can provide all of you with a lunch program and what is our new normal. We have had to come up with a modified lunch menu and delivery system to keep everyone safe. Cumberland Schools Catering Society is looking forward to serving you and your family for another school year.

The Cumberland Schools Catering Society was created in June 2010 and consists of Oxford Regional Education Center, Parrsboro Elem./Jr./Sr. High School, Springhill Jr./Sr. High School, Cumberland North Academy, Spring Street Academy, Amherst Regional High School, Pugwash District High School, West Highland Elementary School, and E.B. Chandler Jr. High School. Our goal is to provide nutritious food at an affordable price.

I have sent home a September menu for you to look over with your family. You have many ways of ordering; by day, week, or month. Using the supplied menu, simply circle your child's meal choice for each day that you wish to place an order. There are other items at the bottom of the menu that can be ordered if you do not want the special. Attached to the menu are separate order forms for these items. Return the completed menu or order form with payment, child name, and class. There will be a basket in each classroom for your child to put the order in to be processed and then all food will be delivered to them. We look forward to serving you.

Yours truly,

Jennifer Mapplebeck

Food Services Manager

Cumberland Schools Catering Society
