Email: [SperryNM@ccrce.ca](mailto:SperryNM@ccrce.ca)

## Expectations for Student Success

- Follow classroom rules & routines
- Show kindness and respect towards yourself and others
- Complete all classwork, homework, projects and assignments on time
- Come prepared for class
- Be responsible for your learning - catch up on any missed work
- Put forth your best effort

## Communication

Communication between home and school is crucial for student's success. There are many ways this can be done:

Student Agenda

Phone

Email

Parent Teacher Nights

Scheduled Meetings

## What We'll be Exploring

### English Language Arts

Students will be reading and viewing a wide range of literature, information, media, and visual text and will respond personally to text read. Writing will happen daily through short response exercises or longer, more detailed writing exercises which may take place over an entire week. Students will develop their speaking and listening skills through discussions, group work, and oral presentations.

### Math

Daily math instruction takes place for 1.5 hours. Topics to be covered include: number sense, patterns and relations, measurement, statistics and probability, and geometry.

### Science

#### Grade 5

Weather

Human Body

Simple Machines

Properties of Matter

#### Grade 6

Space

Diversity of Life

Electricity

Flight

# What We'll be Exploring

## Social Studies

Students will study the concept of culture including traditions, customs and beliefs. They will learn about the development and structure of ancient and modern societies. They will also explore sustainability practices in Canada and compare them to other countries. Students will identify human rights issues around the world and demonstrate an understanding of global citizenship.

## Healthy Living

Healthy Relationships  
Healthy Community  
Healthy Self

## Visual Arts

Students will have the opportunity to work with a variety of materials, examine the elements and principles of art, and examine the works of many artists.

# Other Subject Areas

Physical Education, Core French, and Music are other subject areas where specialists deliver the programming. The days for each at listed below:

## Physical Education

Days 1, 2, 5, and 8

## Core French

Days 1, 3, 5, and 7

## Music

Days 2, 6, and 7

# Assessment & Evaluation

Classwork  
Quizzes/Tests  
Observation  
Participation  
Projects  
Presentations  
Group Work  
Conferences

# Tips & Reminders

- This year students will be following an 8 Day schedule rather than 5.
- The breakfast program will be available to students every morning as they arrive at school.
- Students in grades 4-6 are expected to wear a mask while inside the school until further notice.
- Students will be outside every day (rain or shine), therefore they should come dressed for the weather and with a change of clothes!
