**New!!!!!!!!!!!!**

**We are offering food cards for parents to purchase for students. You can purchase a \$25.00 or \$50.00 card for your child that will stay in the kitchen with staff. Each day that your child is ordering from the cafeteria they will place a completed order slip (including their name, class, and order items) in their class basket. Our staff will contact you when the money is getting low and you can reload. Payment options for the cards are by cash or e-transfer only. E-transfers can be sent to [cscsbookkeeper@outlook.com](mailto:cscsbookkeeper@outlook.com) and you must include in the e-transfer your child's name, school, grade, and phone number. This option decreases contact for staff and students as less handling and exchange of money is required.**
